# FEAR & SUNSHINE

MONSTERS, MAD SCIENCE, AND A LITTLE HIPPIE GIRL

Written & Illustrated by Donovan Scherer

Sunshine Saliente is more than happy to spend her afternoons playing around her foster parents' homestead with her stuffed rabbit, Bunny. But as she learns the history of the family she had come from, her life is thrown into a world she had never imagined; a world that must be saved from the creation her father had left behind. The time has come for this little hippie girl to claim her place at Darksmith Manor, whether she believes in monsters, or not.

*"I loved this book! Sunshine was such a lovable character I just couldn't get enough of her. The book is a fast paced, easy read. Magic and monsters great for any age!"*
